

HEALTHCARE SERVICES

RIDGEMONT
commercial construction

VISION

Our vision is to revolutionize the construction industry through a unique, proprietary approach that emphasizes deep collaboration and understanding of our client's distinct abilities and needs. Our aim is to deliver tailor-made services and high-quality, cost-effective solutions that bring meaningful value as defined by our clients. By broadening our business model in this way, we strive to become a steadfast and reliable partner for our clients, irrespective of economic fluctuations.

As your construction partner, we collaborate with all stakeholders to identify and exceed expectations for a successful project completion.

BRAND PROMISE
Complete Client Confidence

ABOUT RIDGEMONT

Ridgemont is a commercial construction firm delivering quality constructed projects in Texas and the surrounding region since 1976. Our diverse portfolio includes projects and clients in the healthcare, automotive, industrial, office, retail and senior living market segments.

Ridgemont's client-friendly approach aligns insightful team members, who are proactive and committed, with each stakeholder to discover the most expeditious and value driven path to your vision. Our collaborative and energetic teams of construction experts deliver a dependable relationship that is based on transparency and effective communication.

We love what we do and take pride in our ability to consistently establish new client relationships, and that more than 80% of our business comes from repeat clientele.

CORE VALUES

- People.** ethical leaders at all levels
- Integrity.** open & honest environment
- Improvement.** passion for innovation
- Ambition.** driven to excellence

MISSION

- Develop new business opportunities
- Empower our people to achieve excellence
- Construct quality and profitable projects
- Serve Customer's needs

My confidence in this contractor has led to my third project, which is 30 days underway, and located within the hospital, close to inpatient areas. This is a critical part of the hospital to have construction going on, but Ridgemont has taken every effort to confine the construction area and limit liability to our patients.

Rhonda Andrus, Project Director
Children's Medical Center of Dallas

HEALTHCARE SERVICES

We know that modifying, expanding or developing new healthcare facilities requires an integrated and multi-faceted planning approach throughout design and construction. Ridgemont provides expertise relative to a wide variety of patient care facilities and construction methods, and delivers insight to your vision in order to enhance the construction experience. We specialize in new construction, open facility renovations, interior finish-outs, as well as the re-purposing of buildings to suit the specific needs of our healthcare clients. Ridgemont's healthcare facilities project experience includes but is not limited to:

- Full Service Hospitals
- Ambulatory Surgery Centers
- Cancer Centers
- Urgent Care Centers

- Radiology / Imaging Facilities
- Assisted Living & Memory Care
- Behavioral Health Hospitals
- Medical Office Buildings
- Specialty Care Centers
- Specialty Procedure Suites
- Stand-Alone Outpatient Clinics

As your healthcare construction partner, we collaborate with the teams involved to identify and balance your expectations. Our goal is to achieve the optimum blend of quality, cost, design, and functionality.
