

INDUSTRIAL SERVICES

VISION

Our vision is to revolutionize the construction industry through a unique, proprietary approach that emphasizes deep collaboration and understanding of our clients' distinct abilities and needs. Our aim is to deliver tailor-made services and high-quality, cost-effective solutions that bring meaningful value as defined by our clients. By broadening our business model in this way, we strive to become a steadfast and reliable partner for our clients, irrespective of economic fluctuations.

As your construction partner, we collaborate with all stakeholders to identify and exceed expectations for a successful project completion.

BRAND PROMISE
Complete Client Confidence

ABOUT RIDGEMONT

Ridgemont is a commercial construction firm delivering quality constructed projects in Texas and the surrounding region since 1976. Our diverse portfolio includes projects and clients in the healthcare, automotive, industrial, office, retail and senior living market segments.

Ridgemont's client-friendly approach aligns insightful team members, who are proactive and committed, with each stakeholder to discover the most expeditious and value driven path to your vision. Our collaborative and energetic teams of construction experts deliver a dependable relationship that is based on transparency and effective communication.

We love what we do and take pride in our ability to consistently establish new client relationships, and that more than 80% of our business comes from repeat clientele.

CORE VALUES

- People.** ethical leaders at all levels
- Integrity.** open & honest environment

“I continue to hire Ridgemont time and time again because Ridgemont makes my life easier.”

Jason Nunley
Principal, Urban Logistics Group

INDUSTRIAL EXPERIENCE

Due to the size and intended use of many industrial type facilities, owners require a construction management firm that can provide the best value for the lowest cost per square foot. Knowing this, Ridgemont works with our clients to find the most valuable solution that meets their operative and scheduling needs. Whether it is tilt-wall, metal building, or steel frame construction, our relationships with highly qualified specialty contractors provides access to informed pricing, skilled expertise and unparalleled quality to get the job done right.

Ridgemont has extensive experience in the construction of the following industrial facilities:

- Distribution Centers
- Manufacturing
- Office / Warehouse
- Research & Development
- Value Flex Space
- Build-to-Suit

30 MILLION SF OF INDUSTRIAL PROJECTS BUILT

Ridgemont is committed to the promises we make and the solutions we deliver. We know that clear expectations yield reliable results.

Our team brings the very best customer experience with the least amount of surprises during the process.
