

SENIOR LIVING SERVICES

RIDGEMONT
commercial construction

VISION

Our vision is to revolutionize the construction industry through a unique, proprietary approach that emphasizes deep collaboration and understanding of our clients' distinct abilities and needs. Our aim is to deliver tailor-made services and high-quality, cost-effective solutions that bring meaningful value as defined by our clients. By broadening our business model in this way, we strive to become a steadfast and reliable partner for our clients, irrespective of economic fluctuations.

As your construction partner, we collaborate with all stakeholders to identify and exceed expectations for a successful project completion.

BRAND PROMISE
Complete Client Confidence

ABOUT RIDGEMONT

Ridgemont is a commercial construction firm delivering quality constructed projects in Texas and the surrounding region since 1976. Our diverse portfolio includes projects and clients in the healthcare, automotive, industrial, office, retail and senior living market segments.

Ridgemont's client-friendly approach aligns insightful team members, who are proactive and committed, with each stakeholder to discover the most expeditious and value driven path to your vision. Our collaborative and energetic teams of construction experts deliver a dependable relationship that is based on transparency and effective communication.

We love what we do and take pride in our ability to consistently establish new client relationships, and that more than 80% of our business comes from repeat clientele.

CORE VALUES

SENIOR LIVING

We know that modifying, expanding or developing new senior living facilities requires an integrated and multi-faceted planning approach throughout design and construction. Ridgemont provides expertise relative to a wide variety of senior living facilities and construction methods, and delivers insight to your vision in order to enhance the construction experience. We specialize in new construction, open facility renovations, interior finish-outs, as well as the re-purposing of buildings to suit the specific needs of our clients.
