

VISION

Our vision is to revolutionize the construction industry through a unique, proprietary approach that emphasizes deep collaboration and understanding of our client's distinct abilities and needs. Our aim is to deliver tailor-made services and high-quality, cost-effective solutions that bring meaningful value as defined by our clients. By broadening our business model in this way, we strive to become a steadfast and reliable partner for our clients, irrespective of economic fluctuations.

As your construction partner, we collaborate with all stakeholders to identify and exceed expectations for a successful project completion.

AUTOMOTIVE SERVICES

Ridgemont has built more dealerships for more clients than any other contractor in our region. We provide a dedicated Automotive Services Group to ensure each project is given continuous executive level oversight and a team of experts.

Ridgemont's experience of building a total of 59 automotive projects provides our clients with the most comprehensive scope of automotive construction knowledge that is available.

Ridgemont has extensive experience with:

- Ground-Up Sales and Service Centers
- Car Washes
- Automotive Maintenance Facilities
- Automotive Storage Facilities
- Dealership Renovations
- Image Upgrades

I am most pleased to report that the Ridgemont Team that worked on Ferrari Maserati Dallas were among the most experienced and professional people that I have ever had the pleasure of working with. Your company turned the project in early, almost ½ million dollars under budget and at the highest level of quality that I have ever seen on a construction project.
